Good evening Londoners!

We have SO many excited for this London trip! I cannot wait! Text @pcnlondon to the number 810-10 to be added to the remind I will be using from now until and on the trip!

## 1st Payment Due August 31st & CHARMS

The first non-refundable deposit of \$300 per person is due August 31st. **You can pay cash, check-made out to PCN (preferable), or you can pay through Charms (1.99%+\$ .49 fee).** Over the course of making all the payments the most you would pay in fees would be around \$80 in total. You can make that decision if you would like to pay for that convenience. All cash/check payments must be submitted to Mr. Scott's office during the school day.

If you want to pay through Charms (which is basically running the payment through PayPal) please email me so I can set up your account. Every person going on the London trip will have their own trip account that they can view through Charms. You will be able to view all payments and all fundraisers as well and that will keep you totally up to date on all of your London payments. I will also be passing out quarterly reports to students in class.

All Charms accounts will be set up after I have received the first \$300 deposit for each person going on the trip.

## Payment Plan Agreement

I will also need the agreement stating you agree to the payment plan. I will have copies of these in class or you can print [HERE](#).

Again, if you end up fundraising more after you have paid in full, then we can issues refunds for any overages.

## Parent Meeting Tomorrow Night

I am having a parent meeting (not really a London meeting) for all orchestra parents. If you would like to ask any London questions after the meeting is over you can. I can be available to visit with anyone who has additional questions or concerns.

You can also email me with any questions.

Thanks!
